## SPECIFICATIONS

|                                           |                                |
|-------------------------------------------|--------------------------------|
| Part's Number                             | HMCYA280T320G                  |
| Frequency(GHz)                            | 28.0-32.0                      |
| Direction                                 | Clockwise                      |
| Insertion Loss(dB)MAX                     | 0.7                            |
| Isolation(dB)MIN                          | 18                             |
| VSWR MAX                                  | 1.35                           |
| Phase equalization( $\pm^\circ$ )         | -                              |
| PK/CW (Watt)                              | 5/2                            |
| Operating Temperature( $^\circ\text{C}$ ) | -55~+85                        |
| Reverse Power(Watt)                       | -                              |
| Conector                                  | Gold wire bonding/Lap welding  |
| Surface treatment                         | Gold Plating/Plate with silver |
| Additional Notes                          |                                |

## Description:Microstrip Circulator

|                                      |                                                                                       |     |
